Casper attorney Mike Shickich honored

Casper personal injury attorney R. Michael Shickich has been selected to the Mountain States Super Lawyers List for 2013.

Super Lawyers selects attorneys using a multi-phase process that includes peer nominations and evaluations and independent research. The Super Lawyers list recognizes no more than 5 percent of each state's attorneys.

Selections are made on an annual, state-by-state basis. The objective of the list is to create a credible, comprehensive and diverse listing of outstanding attorneys that can be used as a resource for people searching for legal counsel, according to a release announcing Shickich's selection. It is an annual list, not a lifetime achievement.

Shickich is a fourth-generation Wyoming resident with more than 25 years experience as a trial lawyer and direct knowledge of the insurance system. He has eight years prior experience in insurance defense law. For more than 15 years, he has worked in personal injury law.
