Casper Personal Injury Attorney R. Michael Shickich Selected to the 2018 *Mountain States Super Lawyers* List

R. Michael Shickich, a Casper-based personal injury attorney, has been selected – for the sixth consecutive year – to the 2018 *Mountain States Super Lawyers* list.

Super Lawyers selects attorneys using a rigorous multiphase process that includes peer

nominations, evaluations, and independent research.

The *Super Lawyers* list is exclusive – it recognizes no more than the top 5% of each state’s attorneys. An attorney cannot buy his/her way onto the *Super Lawyers* list.

Selections are made on an annual, state-by-state basis. The objective is to create a credible, comprehensive and diverse listing of outstanding attorneys that can be used as a resource for other attorneys and the public searching for legal counsel.

What distinguishes *Super Lawyers* from other attorney rankings?

- It is created methodically and objectively by combining research with peer nomination and review.
- The *Super Lawyers* selection process has been validated by courts and bar associations.
- It is an annual list, which requires continuing excellent performance by the attorney. It is not a lifetime achievement.

R. Michael Shickich is a fourth-generation Wyoming resident with 30 years of experience as a trial lawyer, and direct knowledge of the insurance system. He has eight years of prior experience in insurance defense law. For more than 20 years, Mr. Shickich has helped the men, women and children of Wyoming who have been hurt in accidents obtain fair compensation for their injuries.
